### Trying to track down your eLCs?

Electronic Learning Credits are a new form of funding available from the  
government, which you can use to purchase digital product. Local Education  
Authorities released the first batch of funding in November 2002, and your  
school should have access to a pool of eLCs.

You can use your eLCs to purchase this digital product, and any other products  
that carry this special logo.
